

**DAUPHIN COUNTY  
TOURISM GRANT PROGRAM**

**GENERAL INFORMATION**

**A. Introduction**

In January 2000, Dauphin County adopted a hotel room rental tax, which is an additional fee on the prices of hotel rooms. The Dauphin County Department of Community & Economic Development administers the County's portion of the hotel room rental tax.

In an effort to use a portion of the hotel tax revenue to benefit Dauphin County communities and to enhance tourism, the Dauphin County DCED has instituted the *Dauphin County Tourism Grant Program*. This program allocates grant funds to Dauphin County based entities whose primary activities are tourism related.

**B. Eligible Applicants**

Dauphin County municipalities and 501 (c) (3) non-profit organizations may apply. Applicants must be located within the legal boundaries of Dauphin County, Pennsylvania.

**C. Eligible Activities**

Eligible activities under this grant program are limited to the following:

- Marketing efforts to attract tourism
- Tourism enhancement programs
- Beautification projects
- Limited general operating expenses

These activities are not confined only to new projects. Applicants who have already begun projects that satisfy the requirements for eligible activities may also apply for funding.
